

IMPACT Co-Op Hold Harmless Agreement

TEENAGE CHILD AGES 14-18

I, _____, will be leaving the premises during co-op hours in which my child is currently in class. I understand that IMPACT Co-op is in no way responsible for the well-being of my children while I am absent. I leave my teen (age 14-18) in the care of his/her self with the understanding that I assume all risks and responsibilities for my teen child. I and my teen hold harmless IMPACT Co-op to include board, teachers and participating families from anything that may arise in my absence.

I further understand and agree to the following:

- Either myself or my emergency contact will be available by cell phone at ALL TIMES while my teen child is at IMPACT Co-op.
- Either myself or my emergency contact will be return immediately if a problem arises regarding my teen child.
- Both my child and I understand that this is a privilege and my child will be respectful and behave appropriately.
- I understand that this agreement must be renewed each session and I will have board approval before leaving my teen child at IMPACT.
